Explorer Caravan

My Rolling Homes

Our Fleet : Explorer

At Rolling Homes, we take pride in offering motorhomes that are built for adventure, comfort, and reliability. Leading our fleet is the **Explorer**, a robust 6-wheeled, rear-driven camper crafted on the trusted Leyland chassis, designed to conquer India's toughest terrains. True to its name, the Explorer is your ultimate companion for off-grid adventures, delivering unmatched performance and self-sustainability for weeks at a time. Unlike others that may look appealing in pictures, the Explorer is engineered to thrive in real-world conditions, ensuring your journey is as unforgettable as the destinations.

Key Features

The Explorer is a fully equipped, self-sustained motorhome designed for comfort, convenience, and exploration. Here's what makes it stand out:

Comfort & Accommodation:

- Spacious seating for **6 adults**, perfect for group adventures.
- Cozy sleeping space for **4 adults and 2 kids**.
- **Air suspension** for a smooth and comfortable ride across rugged terrains.
- **Twin air-conditioners** (engine-powered and genset/grid-powered) for year-round comfort.
- **Full front-side visibility** to immerse you in the essence of the road trip.
- **Sliding windows** for fresh air while exploring scenic countryside or mountains.

Power & Sustainability

- **1000W solar power system** for all your off-grid needs during dry camping.
- **2500 VA Inverter** for daytime power requirements.
- **4KVA** onboard super silent genset.
- **500L fresh water tank, 150L grey water tank, and 100L black water tank** for extended off-grid stays.
- **15L electric geyser** (operated on genset) for hot water on demand.

Kitchen & Dining

- Fully equipped **kitchenette** with RO water purifier, basin, cooktop, and essential utensils.
- **120L double-door refrigerator** with freezer to keep your provisions fresh.
- **Microwave** for quick and convenient meals (genset powered).

Entertainment & Connectivity

- **Foldable LED TV** with USB port and Amazon Firestick for on-the-go entertainment.
- **Ahuja infotainment system** with JBL ceiling-mounted speakers for a premium audio experience.
- **USB charging plugs** to keep your devices powered.

My Rolling Homes

Bathroom & Hygiene

- Well-appointed **washroom** with shower, WC, and wash basin with mirror.
- **Outdoor shower** for a refreshing rinse under the open sky.

Outdoor Experience

- **Rooftop access with seating for 4 people**, perfect for stargazing or scenic views.
- **Outdoor recliner, chairs, and camping setup** for relaxing in nature.
- **BBQ grill** (coal to be purchased by clients) for delightful outdoor meals.
- **Bonfire pit** to create memorable evenings under the stars.
