

IT Caravan

My Rolling Homes

Our Fleet : IT

We are honoured to welcome you to a journey that transcends the ordinary—a journey where **cutting-edge technology meets first-class comfort**, and where every mile brings new memories.

Your Caravan IT is not just a vehicle—it's your **smart home on wheels**, built for the discerning travellers who values freedom, style, and innovation. Designed to navigate everything from **snowcapped Himalayan trails** to **Goa's golden beaches**, from **desert dunes in Rajasthan** to the **backwaters of Kerala**, this caravan opens up all of India to explore—**without ever sacrificing the comfort of home**.

Key Features

Luxurious Sleep & Seating: Comfort for Six

Enjoy unmatched sleeping flexibility with accommodations thoughtfully designed for up to **6 adults** or **4 adults + 2 kids**, ensuring everyone has a restful retreat after a day of travel or exploration.

Lift Bed (Electric): Experience ultimate comfort with our lift bed. Use the control button to lift or lower the bed. Ensure nothing obstructs its movement and avoid using it while driving to protect its mechanism.

Convertible Sitting Space: Our sitting area transforms into a comfortable bed, accommodating two people for a cozy night's sleep.

Roof Top Tent: For those seeking a touch of adventure, our rooftop tent offers additional sleeping space for two people under the stars. Follow the provided instructions for safe setup.

Comfort for 6: With the **lift bed**, convertible sitting space, and **rooftop tent**, our caravan comfortably accommodates up to six people, ensuring everyone has a restful place to sleep.

Power & Sustainability

Dual Climate Control for Every Condition

Engine-Driven AC (Drive Mode)

Powered by the caravan's engine, this air conditioning unit keeps the interior cool and comfortable while you're on the move.

Leisure AC (1.5 Ton Ceiling-Mount One way Cassette Air conditioner) – Leisure battery operated. (Can run on leisure battery for upto 9 hours.)

Once parked, switch to our powerful ceiling-mounted **Leisure AC**. This home-grade air conditioner ensures silent, energy-efficient cooling while you relax or sleep.

Kitchen & Dining

Fully Functional Kitchen: Enjoy a fully functional kitchen, designed to meet all your cooking needs.

Fridge (90 Liter): Keep your food and drinks perfectly chilled. Ensure the door is properly closed using the lock to conserve energy.

Built-in Microwave: Easily cook, grill or just heat your food and beverages. Remember to avoid using metal containers inside the microwave.

Kitchen Chimney: Our kitchen is equipped with a chimney to ensure proper ventilation and keep the cooking area smoke-free and fresh.

Entertainment & Connectivity

Smart TV Entertainment 42 Inches.

Stream your favourite shows and movies effortlessly via our internet-connected Smart TV. Even when offline, access a curated media library for a seamless “in-caravan” entertainment experience from the offline Library—anytime, anywhere.

Discreet TV Lift System

Preserve your space and your view with our motorized TV lift. With a simple click on the dedicated remote, reveal the TV only when you need it—then safely tuck it away into its custom cabinet. For safety and energy efficiency, the lift automatically powers down when not in use.

My Rolling Homes

Bathroom & Hygiene

Motorized Toilet Seat: Enjoy the comfort and convenience of our motorized toilet seat, which operates with a simple push-pull button.

Dedicated Shower Area: Experience the luxury of a spacious and dedicated shower area, designed for your utmost comfort.

Full-Fledged Washroom: Our washroom is fully equipped to cater to all your needs, providing you with the comforts of home even while on the road.

Outdoor Experience

we offer more than just a caravan—we offer a **ready-made escape wrapped in comfort, style, and smart design**. Every journey with us is thoughtfully curated to give you the freedom of the open road **without ever leaving the luxury behind**.
